Ways to pay your invoice To make payment please log onto Telkom's website and log onto the old portal to make payment either via EFT or credit card, this payment option will ensure immediate restoration of your service. First time users will be need to register (https://apps.telkom.co.za/alpha/public/register) and create a profile prior to processing your payment.	
Ways to receive your invoice Email, Electronic billing & MMS.	
How long does it take to restore your service once suspended for late payment We will restore suspended services as soon as possible, but the restoration is subject to the receipt of the payment on our billing system. The Terms and Conditions are available at http://www.telkom.co.za/general/termsandconditions/index.html	
How we calculate VAT We calculate VAT per product or service type individually. Only the sum thereof appears on the tax invoice. How we calculate interest Interest is charged on all amounts due that have not been paid on, or before, the due date indicated on your invoice. Interest is calculated from the date of issue of the invoice until the date we receive the payment. We may amend the interest rate from time to time. How we calculate cost of calls Calls are charged per second with a minimum charge per call. The distance of the call and the time you make the call determine the call charge per second. Calculate the approximate cost of a directly dialled call from a telephone at www.telkom.co.za/tariffcalculator .	How we calculate VAT We calculate VAT per product or service type individually. Only the sum thereof appears on the tax invoice. How we calculate early cancellation penalties Where penalties are applicable, they are calculated on the remaining contract period, in line with the CPA guidelines on penalty calculations.
